FAQ

- 1. What happens if I compete before I get all of my paperwork filed with the OSSAA?** A team roster using first and last names must be submitted to the OSSAA before a school is eligible to compete in qualifying tournaments. Rosters must be amended to reflect any new competitors (See Form O). The OSSAA Rule Affidavit must be signed by the coach(es) and returned to the OSSAA before a school is eligible to compete in qualifying tournaments. Any qualifications earned prior to submitting a roster and Rule Affidavit to the OSSAA will be nullified and the next student moved up to the qualifying slot.
- 2. Why did my classification change?** Every five (5) years, there is a constitutional review and at that time changes are made. This committee recommended the largest class in all activities be 6A.
- 3. Can I fax an entry?** Yes, but the fax must be confirmed by either a telephone call or email to the OSSAA.
- 4. Where are Qualifying Tournament results posted?** Results will be posted the Monday after each qualifying tournament at www.okspeech.org.
- 5. Where can I find a speech coach's email address?** Email addresses for speech coaches will be posted on www.okspeech.org.
- 6. What is the NFL website?** The NFL website is www.nflonline.org.
- 7. How do I find LD Debate Topics?** You will be able to access LD Debate Topics at www.nflonline.org or by calling the NFL Topic Hotline at (920) 748-LD4U.
- 8. How can I get a copy of Extemp Topics?** Extemp topics will be posted on the OSSAA website one month after used in qualifying tournaments. Go to www.ossaa.com/Non-Athletics/Speech. There will be an Extemp Topics heading with each month listed below.
